BUDGETSERBIAN BACK IN FOR 1921 PRISON PLANNED

Jovial Spirit

"Howdy, Cap." These were the greetings exchanged etween Warden Brine and William Carlisle when the latter was returned early today to the Wyoming penitentiary after a period of liberty extending over several weeks following his escape from that institution in November. During the time that Carlisle was at liberty he held up a Union Pacific train and was finally shot and captured two weeks ago by the sheriff who was pursuing him.

Carlisle told the prison authorities oday that he was feeling fine with the present appropriation. exception that the wound in his lung in Windser, Ont., across the Detroit bothered him somewhat. He also told money, are making high profits, ac- as he had managed to pass through Medicine Bow, Wyo., the scene of his latest train robbery, without repeating cific.
